

2027 Foundation (Prep) enrolment

Our school zone

Our school zone is available on findmyschool.vic.gov.au which hosts the most up-to-date information on school zones in Victoria.

Students residing within our school zone are guaranteed a place at our school. Your school zone is determined based on your permanent residential address.

Our school manages enrolments using the [Placement Policy](#) to ensure that students have access to their local school. Students may enrol at another school if there are available places.

For more information about our school zone, please contact our school. For answers to frequently asked questions about school zones, visit [School zones](#).

Foundation (Prep) enrolments

All Victorian government primary schools follow the statewide Foundation (Prep) enrolment timeline.

The timeline advises families when and how to enrol their child at a Victorian government primary school.

For more information about the enrolment timeline, visit: [Enrolling in Foundation \(Prep\)](#). Our school uses the Department of Education's secure digital enrolment system called [VicStudents](#). This means you can submit your Foundation (Prep) application online and receive updates through the system. If you have any questions about the online enrolment process, please contact our school. Paper enrolment application forms are also available on request.

Other year level enrolments

We also accept enrolment applications for students in other year levels. You can submit a request at any time in the school year.

Eligible students who live within our school zone are guaranteed a place, while students outside the zone may be enrolled if there are available places.

If you are seeking enrolment at other year levels, please contact our school for more information.
