## MUSIC

Welcome back to 2020 in the Music room. This term our Gumnut students will be learning about different volumes in music and how this can change as music is played. Students will also uncover various ways to play instruments and discuss why the sounds change. The Gumnut students will end the term looking at rhythm using the bucket drums. I can't wait to fill the Music room with noise and smiles this term.

## PE

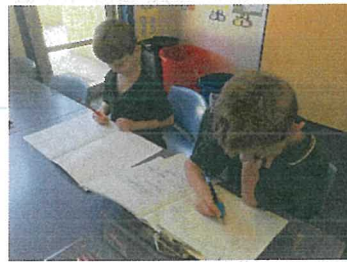

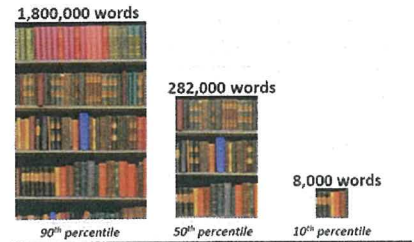

During Term 1, The Grade 1/2 students will be participating in an Athletics Unit. This will allow students the chance to learn the correct technique for a variety of events and also focus on active participation in all classes. This unit will culminate with our KFPS House P-2 Athletics Day which will be held on **Wednesday 11<sup>th</sup> March** on the KFPS Oval. We encourage as many family and friends to come along and support the students as they strive to showcase their skills and earn points for their House Teams.
