## Inclusion and diversity

Kangaroo Flat Primary School strives to provide a safe, inclusive and supportive school environment which values the human rights of all students and staff.

Our students are at the centre of our learning community and the decisions we make. Our school values of- **Respect, Teamwork, Responsibility and Being Your Best** capture the spirit of the way we go about our work and our commitment to continuous improvement.

Our student demographic continues to grow in cultural diversity – with 12.0% of our student population having EAL (English Additional Language) status, mostly from refugee backgrounds (Karen and Afghani) and 13% of our student population identifying as Aboriginal or Torres Strait Islander. We also have a large student support base with 8.0% of our students receiving additional support through our Disability and Inclusion model.

Kangaroo Flat Primary School is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Kangaroo Flat Primary School acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At Kangaroo Flat Primary School we value the human rights of every student and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Kangaroo Flat Primary School will:

- Actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities (eg schools sports, concerts, excursions and camps) on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students
- respond to complaints and allegations appropriately and ensure that students are not victimised.

As a Lead School in the Resilience, Rights and Respectful Relationships initiative we proactively teach social and emotional curriculum and promote the modelling of respect, positive attitudes and behaviours.

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Kangaroo Flat Primary School. We will take appropriate measures, consistent with our *Student Wellbeing and Engagement* and *Bullying* policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

students that are involved in bullying or harassing others on the basis of their personal attributes will be supported to understand the impact of their behaviour through our Restorative Practice approach in our Sorting Out Strategies (SOS) meetings.

### Reasonable adjustments for students with disabilities

Kangaroo Flat Primary School also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Our school may consult through Student Support Group processes and in other less formal ways. For more information about support available for students with disabilities and communicating with us in relation to a student's disability, please refer to our school's *Student Wellbeing and Engagement* policy or contact our Principal Team or our Inclusion Coordinator, Kim Anketell at school on 5447 5100 for further information.
