POLICY

1. School profile

Kangaroo Flat Primary School was established in 1870 and is located 5 kilometres southwest of the Bendigo CBD and is considered to be the southern gateway to this regional city. We have 285 students enrolled from Foundation to Grade 6 and 45 school staff members including a speech pathologist, a wellbeing coordinator and a school wellbeing dog, Bonnie.

Most students that attend our school live locally and tend to walk or ride their bike to school. Kangaroo Flat Primary School has developed close ties to the local community and enjoys support from local community services.

Our student demographic continues to grow in cultural diversity – with 17.0% of our student population having EAL (English Additional Language) status, mostly from refugee backgrounds (Karen and Afghani) and 12% of our student population identifying as Aboriginal or Torres Strait Islander. We also have a large student support base with 6% of our students receiving additional support through our PSD model. We are proud of our diversity and inclusive school community.

We strive to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially.

2. School values, philosophy and vision

Kangaroo Flat Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of respect, responsibility, teamwork and being your best at every opportunity. Our school values capture the spirit of the way we go about our work and our commitment to continuous improvement.

Our school's vision is to prepare young people to become active, engaged and responsible citizens capable of successfully interacting and learning in our local and the wider global community.

Our School's Learning Mantra is "Imagine, Believe, Achieve".
