PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities. Adequate supervision of students in the school yard is a duty of care requirement.

SCOPE

This policy applies to all teaching and non-teaching staff at Kangaroo Flat Primary School including education support staff, casual relief teachers and visiting teachers.

POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

Before and after school

Kangaroo Flat Primary School grounds are supervised before school by staff from 8:30am (when the gates open) until 8:50am when class commences AND after school from 3:00pm to 3:10pm.

Brekky Club @ KFPS operates from the GLC on Tuesday, Wednesday and Thursday mornings from 8:20am. Students arriving at school at this time will be directed to the GLC for Brekky Club and will **not** be allowed to be in the general school grounds until yard supervision commences at 8:30am.

Outside of these hours, school staff will not be available to supervise students.

Before school : There will be some areas within the school that will not be supervised prior to school commencing in the morning. Please note that school staff will only be supervising the junior playground, amphitheatre, bike shed and the basketball courts before school. The senior playground and sandpit and oval will not be available until recess.

After School: There will be some areas within the school that will not be supervised after school. Please note that school staff will only be supervising the bike shed and the school exits/gates.

Please Note: the playgrounds, sandpits and oval will NOT be supervised by staff during after school yard duty. Therefore, parents are to supervise their own children if they choose to allow them to have an after-school play.

Parents and carers will be advised about before and after school supervision through a notification on our parent portal on Sentral and regular reminders in our newsletter. Parents and carers should not allow their children to attend Kangaroo Flat Primary School outside of these hours.

Families are encouraged to contact the Customer Care team at Camp Australia on ph: 1300 105 343 for more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the students will be directed to the school office waiting area. The Principal or Office staff will

- attempt to contact the parents/carers
- attempt to contact the emergency contacts

The Principal/Assistant or Office staff will consider whether it is appropriate to:

- place the student in an out of school hours care program (if the parent consents)
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

Yard duty equipment

School staff must:

- wear a provided safety/hi-vis vest whilst on yard duty.
- Wear a sunsmart hat from September 1st until April 30th the following year.
- carry the yard duty first aid bag at all times during supervision. The yard duty first aid bag will be stored in the staffroom next to the Yard Duty folders.
- Be familiar with the yard duty information pack containing student health and safety information stored in the yard duty folder located on the staffroom wall.

Yard duty equipment must be returned after the period of supervision or handed to the relieving staff member.

Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- Proactively move around the designated zone ensuring active supervision of all students
- where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have a visitor pass and have signed in (excluding drop off and collection periods)
- ensure students remain in their designated grade level zones
- be alert and vigilant

- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate in the First Aid book and on Sentral.

If being relieved of their yard duty shift by another staff member, the staff member must ensure that a brief, but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Assistant Principal with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the office and/or the Principal Team but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should send a message to the office/call Assistant Principal and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact the front office /Principal team for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

School activities, camps and excursions

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved, and will follow the supervision requirements in the Department of Education and Training [Excursions Policy](#).

Digital devices and virtual classroom

Kangaroo Flat Primary School follows the Department's [Cybersafety and Responsible Use of Technologies Policy](#) with respect to supervision of students using digital devices.

Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.
