

Hello everyone,

Welcome to Week 5 of our term and the second week of 'Remote and Flexible Learning 2.0'.

Last week we uploaded the Learning Matrix for our first 3 days of remote learning as an easy start to the off-site learning program.

This week, classes commenced their learning through the platform of Class Dojo. I believe we have most families logged into this platform with only about 20 families still needing to access Class Dojo.

If you are having trouble accessing Class Dojo please let our office staff know and we may be able to walk you through it. Of course, we must let you know that we are learning Class Dojo too! So be patient with us.

Next week, students shall start our WebEx timetable with their class teachers. You will receive a timetable for WebEx sessions this coming Friday afternoon.

We understand that each family and household is busy and it isn't always easy to sit together at the table and do the school work together. Our teachers are planning learning tasks that can be undertaken with minimal support. The daily learning tasks should take approximately 2.5 - 3.5 hours each day - no more as this is in line with the Department of Education & Training Operations guide.

If you have any questions you can message your child's teacher through either Sentral or Class Dojo. Please be aware that teachers are not on site. They too are at home working and learning remotely and in most cases trying to teach their own children. So we fully appreciate how challenging this remote experience is for everyone.

Your Opinion Counts

Survey:

Each week we will have a short health and wellbeing survey for parents to access via Sentral and fill out for us. This will be available each Friday. If you can spare 10 minutes to provide feedback on your remote learning experience and how you are coping then we would very much appreciate it. I thank Mr Colley for putting this together for our school community.

ICT Devices:

We have distributed almost all of the iPads and laptops with only approximately 10 devices yet to be allocated or collected. I wish to thank Ange Jobe, Carryn Hendy, Isaac Moore, Caryn Leaver and Wendy Donaldson for supporting this process. I wish to also thank James Dodd, regional DET technician who travelled to Bendigo to support the technical download of functions onto each device for us.

Attendance:

To register your child's attendance each day just press 'like' on the teacher's morning post or message on class dojo. Make sure you submit your 'like' and teachers will see that you have accessed Class Dojo for the morning.

Principal Awards:

In next week's newsletter we will be acknowledging students who have been engaging well with the Remote Learning through either their online presence or through a pleasing piece of work that they have uploaded to their teacher for feedback.

Assembly:

Although we are in remote learning, we will still have a shortened assembly. We will acknowledge birthdays for the week and provide any messages for the coming week. So please tune into our 9am school assembly via WebEx online.

Meeting number (access code): 165 918 9198

Meeting password: RndwtUHS498

Stay safe, remain physically distant but socially connected.

Kind Regards,

Kim Saddlier
Principal

Enrolments are taken all year round 

For:
Parents
Grandparents
Carers
of children aged 2 to 12 years

Let's Cook Crème Caramel @ Home With Rayelene

Ingredients:

100 g of sugar (raw is best)
25 g of water
600 ml full cream milk
400 ml of sweetened condensed milk
6 eggs

Method:

Caramel:

Combine Sugar and 25g of water in a pot and bring to boil allowing the sugar dissolve on low heat , when small bubbles start to form and the syrup turns golden brown turn off and pour immediately into a mould or individual serving bowls and set aside to cool down completely.

Custard:

In a pot mix both condensed milk and full cream milk and bring to boil, stirring continually. When the milk starts bubbling turn off the heat.

Crack the eggs into a separate bowl and beat thoroughly. (I use a hand held food stick and blitz like your making soup)

Then add the eggs slowly to the milk mixture whilst still blitzing.

The mixture will start to thicken and should be well combined.

Pour the custard over the cooled caramel sauce and the place the mould into a larger baking dish. Fill the baking dish with enough water to not spill into the mould. Carefully place the baking dish into a pre-heated 140' oven and cook for approx. 45 minutes.

Allow to cool and put into the fridge at least 4 hrs.

To serve, run a knife around the outside of the mould and turn upside down onto a bowl.

Tips:

Make the caramel at least 1 hr before and allow to cool for better result.

Use a hand held food stick for light a bubblier custard.

Continually stir the milks whilst bring to boil or it may stick to the bottom of the pot and burn.

2021 Enrolments

2021 enrolments forms are available at the front office. The completion of these forms commences the partnership between school and home and provides information to support all children to transition to school.

If you have family, friends and / or relatives planning to attend Kangaroo Flat Primary School, please encourage them to complete the enrolment forms as soon as possible.

A copy of the Birth Certificate and Immunization Certificate are required to complete the enrolment.

To start primary school your child will need to turn five years of age by 30th April 2021.
