

## **Principals Message**

Dear Parents and Carers,

Welcome to week 5 of Term 3.

Lots happens at KFPS every week! It is always such a busy and fun place to be.

Thank you to those families who were able to attend our "Science Night" last Thursday, it was lovely to see so many in attendance. Thank you to all staff who were able to attend on the night.

This week we started with our Book Week Assembly on Monday. It was fabulous to see so many students across the school dressed up as their favourite characters. It was also lovely to discuss with them who their character was and what book did they come from, so many knowledgeable students. Reading is a lifelong skill that we support our students to achieve and become the very best reader they can be.

We welcome back Kim Anketell to our wellbeing team from her recent leave. A reminder that any paperwork that needs completing needs to come through the office, so that we can make sure it is completed in a timely manner and is sent to the correct professional / parent. Wellbeing discussions with any of the team members can be scheduled via the office. Sometimes you may catch them in the yard but sometimes their head is in another space and they may not have time to talk then and there. Please always reach out to our wellbeing team for assistance, if we cannot help directly we will be able to direct you to outside support.

We are very lucky to have many supportive parents in our school community and it was a pleasure to welcome Bec and Mitch, who participated in a talk on racism with our Grade 3 to 6 students. This came about from the use of a derogatory term in our school grounds, which some students were under the impression it was an okay term to use. They felt they were being 'cool' and it was okay. But after a discussion with Bec and Mitch who shared some of her personal background and a video "Let's Talk About Racism" ( Australian Human Rights Commission). These are follow up responses Rose received from some of our students.

'I feel so sorry for your mum and you, you should not be treated like that.'

'Why do people do racism it is not nice.'

'I feel more confident to share with others and supported.'

We will continue to work with our younger students who do not all fully comprehend how derogatory some terms are. Just wanted to let you know what we are talking about at school so that you can continue the conversation with your own children.

We are a school that prides itself that 'Every Face has a Place' and we are all feel safe and respected.

### **PUPIL FREE DAY Monday 25<sup>th</sup> August**

This Monday coming we have a Professional Learning day for all school staff. We will be completing feedback on the modelling visit we have just experienced with Nathaniel Swain, PhD on 'The Science of Learning' happening tomorrow and Friday of this week. If your child comes home and says they had a different teacher, it could have been Nathaniel modelling teaching strategies in their classroom.

Also on Monday, we are reviewing our School Wide Positive Behaviour Matrix and reflecting on the systems and procedures that occur in our school. Next week we will be sending this home to families and introducing it to our school community.

Thank you,

Faye Martin

Last week we had our Science activity night. Thankfully the weather was as good as it was so we could enjoy the night. It turned out to be a great night with many families attending. It was great to see everyone getting involved in the activities with smiles all around.

I have heard from many students that the night was a lot of fun and the range of activities were interesting and entertaining. The raffle also provided some excitement as many students were hoping to win one of the science kits on offer. Congratulations to Ali, Taylah and Ella-Rose.

We would like to thank the Science and Discovery Centre for supporting us in hosting this night. We look forward to hosting more events in the future for everyone to enjoy.

## Numeracy Support at Kangaroo Flat Primary School

### Bond Blocks: Helping Students Build Strong Maths Skills

At Kangaroo Flat Primary School, some students take part in the **Bond Blocks Maths Program**—a hands-on way to support children who need extra help in maths.

Bond Blocks help students move from counting one by one to adding with numbers and symbols.

Created by Australian teacher Narelle Rice and Dr Paul Swan, it's based on research and won the 2022 Educational Publishing Award.

Using the Bond Blocks Core Kit, students will:

- Learn and remember number bonds.
- Build skills in addition and subtraction to 20 and beyond.
- Understand how addition and subtraction work and connect.
- Use flexible and efficient strategies for calculating.
- Develop place value knowledge.
- Improve reasoning and problem-solving skills.

Students work in small groups outside the classroom, getting extra time to practise and build confidence in their maths skills.

Bond Blocks is one of the many ways we support students to feel more confident and capable in their learning.

## Literacy Support at Kangaroo Flat Primary School

### *MiniLit SAGE and MacqLit Programs*

At Kangaroo Flat Primary School, we're proud to offer extra reading support to students who need it through our **MiniLit SAGE** and **MacqLit** programs.

**MiniLit SAGE** is for students in **Grade 1 and 2**. It provides small-group lessons (four times a week) to help build important reading skills like:

- Hearing and using sounds in words (phonemic awareness)
- Matching letters to sounds (phonics)
- Learning new words (vocabulary)
- Reading smoothly (fluency)
- Understanding what they read (comprehension)

**MacqLit** is for students in **Grade 3 and above**. It also runs in small groups, four times a week. MacqLit helps students continue building their reading and spelling skills, and includes:

- Spelling and dictation practice
- Reading high-interest texts
- One-on-one support when needed

Both programs are structured and step-by-step, giving students the time and support they need to grow in confidence and become stronger readers.

# ATTENDANCE PRIZES

If you are here on time every day 5 days a week you are in the draw.

There are 3 prizes per week:

Foundation-Grade 2

Grades 3 & 4 and Grades 5 & 6.

We have a weekly draw at assembly for 2 students that have been here all week on time.

Classroom prizes will be held fortnightly.

End of each term, there will be our major prizes for those who have attended 100% , along with our most improved student.

Reminder: Student Birthdays  
Please contact their teacher directly at least one week in advance to ensure they can adjust the days teaching schedule and prepare for allergies within the classroom.  
\*Food items must be store bought, unopened packaging with ingredients listed.  
\*NO home made food allowed please.  
\*Zoooper Dooper buckets available for sale from Raye in the canteen (pre order at least one week in advance).

# Canteen Opens for Term 3 Wednesday 13th August

## How To Order From The Canteen

Our Canteen operates on Wednesday, Thursday, and Friday. 8.30am - 2.00pm

Each week in our online newsletter and on our website, you will find our Canteen Menu.

An order form for our \$6.00 Mix & Match Meal Deals can also be found there. Please use the correct menu, it will change each term.

Make sure your order is written clearly with your Name and Room No. This can be done on the template order form or just on a piece of paper, popped into a zip top bag or envelope with the money inside. Please clearly indicate any allergies or special requirements we may need to be aware of. Then drop your order into the neighbourhood tubs at the Canteen before school starts on the day it is required. **Please do not use staples as they may accidentally fall into food.**

Please visit Rayelene to discuss any special dietary requirements, as many items on our Menu may be available Gluten Free or Vegetarian upon request.

We have attempted to reduce the amount of plastic used in the canteen by switching to reusable cutlery and plastics containers. If your child comes home with a stray item, please return it to the canteen cleaned at your earliest convenience.

Collection of lunches from the canteen is by a class helper at 11.15 am.

**Special vouchers** are given for items to be collected from Canteen. e.g.: apply slinky, frozen ice-creams, milkshakes or items that may spill in the tubs.

**Change** can be given to a nominated child. Please indicate the amount tendered and if change is required.

Canteen Vouchers can also be purchased from the office using EFTPOS or cash.

**Fresh Fruit, Yogurt & Snacks etc** are available to purchase from the canteen window before school and at both recess & lunch breaks.

**Volunteers are welcome and in need.** Without our wonderful volunteers we could not run such an extensive menu for our children and staff members. Kids love seeing mum, dad, or a grandparent's smiling face in the canteen.

**You may just need to get out of the house for a coffee break.** You must have a voluntary Working with Children Card. Please give details of your availability to front office or Rayelene. No experience is needed, we will show you through what is required.

### Volunteers - PLEASE RETURN THIS PART

Our Canteen always needs volunteers from 8.45am-11.45am.

Even if you can only help once a Term for an hour, please call in to see Rayelene or return the slip below with your details.
