A message from your OSHC Educators

Science Week was a very fun week!

Children engaged in many experiments from Elephants Toothpaste, Bath Crackling Rocks, Mini Volcanoes, Water Filtering Lab and Crystal Growing.

Throughout the week we all talked about the activities that we had done and were going to do. Some requested other activities for future planning, and I am now researching these to add to our Educational Programs.

We love feedback and input to our Educational Programs. This can be done by following the QR Code. → →

Update:
Please check all addresses and contact phone numbers in Parent Portal.

Please check all reoccurring and casual bookings and renew or cancel bookings where needed.

This will help in providing the appropriate number of educators to children booked in and resources to be available for all children who are booked in and attend.

VICSCHOOLS MTB SERIES 2025

NEW RIDER INFORMATION

The AusCycling VIC Schools MTB Series has been running for over a decade and provides new and experienced school-aged riders with a fun and inclusive racing experience. The focus is on 'having a go', riding your bike with friends and keeping active whilst representing your school.

The AusCycling Schools Mountain Bike Series runs from May to September, with rounds in different locations across Victoria. Cross country (XC) is the type of mountain bike racing on offer, with both novice and race categories available, starting from under nine and continuing through to under nineteen. The course and trails allow for maximum fun and a bit of challenge! Courses are primarily single-track, with some up and down. If there are more advanced features, newer riders always have the option to a B line.

How do I participate?

Entries are open to all 6 to 18-year-old riders enrolled at school or home-schooled. Each event will be listed on EntryBoss.

Do I need to be an AusCycling member to enter?

No, entry into each event includes insurance coverage for each rider for the duration of the day event. But we know that these events are super fun and encourage riders to find out more about their nearest MTB club.

If you have any questions, please reach out to

melissa.ward@auscycling.org.au
