

Principals Message

Dear Parents and Carers,

November 5th, 2025

Thank you to all families who donated to our Halloween dress up day supporting “**State School’s Relief**” we raised approximately \$ 237. Thank you to the parents and carers who supported their students with costumes, it was a fun day!

This week we have begun an internal review of our school with an assigned reviewer Leanne and Stephen and Jess from regional office. This happens regularly in schools and if your child has come home and said we had people in our room observing – then it was these people. I welcome them to KFPS and look forward to undertaking this process with them. We will be analysing our practice, our policies and our data to make Kangaroo Flat an even better place than it already is. We have a further two days next week and then we await the report which should come out to us before the end of the year.

On Friday we have cricketers going off to represent our school. I wish them all the best and know they will be fine ambassadors for KFPS.

Our Admin and Communications team are working on updating our website, please keep an eye on this and check for any new updates. Our Facebook posts continue to develop and it appears that this is a good avenue for letting families know of some of the happenings at our school. SENTRAL remains our communication tool for most information and you will find permission slips etc on this platform.

Thank you to the parents who are monitoring their child’s use of social media. I know it would be a constant battle but I do appreciate your vigilance. The Education Department has been researching the use of ICT in classrooms and there are new guidelines coming into play in 2026 which will support all of us further. More information to come later.

Next week on Wednesday November 12th we have a **Pupil Free Day** and our staff will be working on student assessments and report writing. Our Education Support Staff will be engaged in a professional development to further support their work with our students and families.

Planning for 2026 is underway – have your circumstances changed?

Accurate enrolment numbers are crucial when it comes to planning for 2026. If you know of any families in our community who have not enrolled their 2026 Foundation student with KFPS, please send them to our office. If your child/children will not be with us next year, please contact your child’s teacher or the office as soon as possible.

Regards

Faye Martin

Acting Principal

We would like to thank our school community and acknowledge all the efforts that went into our staff and student costumes.

Kangaroo Flat Primary School raised \$237 in vital funds for State School Relief, which assists some of our families.

EAL News

We are excited to welcome **five new students** who have recently arrived in Australia and have begun their journey learning English.

This term, our **New Arrival Students** have been building their vocabulary through a range of fun and engaging themes, including:

- **My Body**
- **Feelings**
- **Actions**
- **Fruit**
- **Food**

Last week, the students learnt the names of different fruits and then put their learning into practice by making a **delicious fruit salad** to share and enjoy together! It was a wonderful hands-on activity that helped them use new English words in a real-life context.

Ms. Michele Chng
EAL Teacher

Dear Parents and Carers parking along Freeman Drive at school pick up, there has been an increase in rubbish along the road.

Can we please be respectful of our neighbourhood and nearby residents.

Please ensure rubbish remains in your vehicle.

Thank you for your assistance.

Please read Calendar carefully.

There have been updates to school concert time and venue.

There are two student free days this term, Camp Australia our Outside School Hours Care provider are available both these days for bookings.

How To Order From The Canteen

Our Canteen operates on Wednesday, Thursday, and Friday. 8.30am - 2.00pm

Each week in our online newsletter and on our website, you will find our Canteen Menu.

An order form for our \$6.00 Mix & Match Meal Deals can also be found there. Please use the correct menu, it will change each term.

Make sure your order is written clearly with your Name and Room No. This can be done on the template order form or just on a piece of paper, popped into a zip top bag or envelope with the money inside. Please clearly indicate any allergies or special requirements we may need to be aware of. Then drop your order into the neighbourhood tubs at the Canteen before school starts on the day it is required. **Please do not use staples as they may accidentally fall into food.**

Please visit Rayelene to discuss any special dietary requirements, as many items on our Menu may be available Gluten Free or Vegetarian upon request.

We have attempted to reduce the amount of plastic used in the canteen by switching to reusable cutlery and plastics containers. If your child comes home with a stray item, please return it to the canteen cleaned at your earliest convenience.

Collection of lunches from the canteen is by a class helper at 11.15 am.

Special vouchers are given for items to be collected from Canteen. e.g.: apply slinky, frozen ice-creams, milkshakes or items that may spill in the tubs.

Change can be given to a nominated child. Please indicate the amount tendered and if change is required.

Canteen Vouchers can also be purchased from the office using EFTPOS or cash.

Fresh Fruit, Yogurt & Snacks etc are available to purchase from the canteen window before school and at both recess & lunch breaks.

Volunteers are welcome and in need. Without our wonderful volunteers we could not run such an extensive menu for our children and staff members. **Kids love seeing mum, dad, or a grandparent's smiling face in the canteen.**

You may just need to get out of the house for a coffee break. You must have a voluntary Working with Children Card. Please give details of your availability to front office or Rayelene. No experience is needed, we will show you through what is required.

Volunteers - PLEASE RETURN THIS PART

Our Canteen always needs volunteers from 8.45am-11.45am.

Even if you can only help once a Term for an hour, please call in to see Rayelene or return the slip below with your details.

Hi Families and Carers,

Children have enjoyed playing some new games.

Jillie introduced a Tetris game, children playing in pairs to put in a shape each. Each exploring the shape and working out how best to place it into the Tetris panel. Great problem-solving skills being developed and extended upon.

Children have also engaged in many sensory activities; a favourite has been our beach and sea sensory using gelatin. We have also had oobleck (cornflour and water) and chia seeds mixed with water and soap. So slimy!

We always love input from children and families and would love to hear from you with ideas of what we can do in Term 4!
