

## **Principals Message**

Dear Parents and Carers,

November 26<sup>th</sup>, 2025

Congratulations to our Grade 6 students who have run a very successful Market Day today for the school. The wind has played a little bit of havoc with our stalls but quick thinking and relocating some indoors has avoided major issues. Lots of excitement from all students involved.

I am also very proud of the phone call the school received from Kmart after our Grade 6 students had completed their shopping at the store on Monday. We were informed that our students were the most well behaved students they had seen for a very long time. Great feedback, well done to all students involved in our Market Day program.

### **How to support your child under 16 with the new social media age restrictions**

From 10 December 2025, the Online Safety Amendment (Social Media Minimum Age) Act 2024 will require social media platforms to:

- prevent children and young people under 16 from having a social media account
- deactivate or freeze existing accounts held by people under 16.

Delaying access to social media protects the health and wellbeing of young people and gives them extra time to build real world connections and digital literacy skills.

The responsibility will be on the social media platforms, not parents, carers, children or schools, to implement these new restrictions.

Most popular social media platforms will be age restricted. These include Facebook, Instagram, Snapchat, TikTok, X (formerly Twitter), Reddit and YouTube.

Messaging services and online games, as well as apps and platforms that support health and education, can still be used.

### **How to help under 16s prepare for the change**

Parents and carers play an important role in supporting their children to be safe online.

To help get under 16s ready for the social media minimum age requirements, you can go to the eSafety website ([Social media age restrictions and your family](#) | [eSafety Commissioner](#)) to learn more about the social media age restrictions and find tips on how to talk about social media age restrictions with young people.

### **What the change means for our school**

At our school, all age-restricted social media platforms are blocked for student use on the school network.

To keep up to date about the new social media age restrictions, visit the eSafety website and subscribe to their newsletter.

## 2026 Booklists-All Grades Foundation-Grade 6

All families should have received a booklist, these were taken home by students last week. There will *NOT* be SSB payments in 2026 to cover this. Online payments and orders need to be placed with Education Plus by 19th December. Late orders will incur a fee.

### Smile Squad – Dental team here Dec 3<sup>rd</sup> to 5<sup>th</sup>

The Bendigo Health Smile Squad team is scheduled to return to our school to complete six-monthly fluoride varnish applications for those students who have provided consent and received fluoride varnish at our last visit. Fluoride varnish applications help ensure students have the best chance of preventing tooth decay, so we're excited to have them come back.

It is not an opportunity to have any new students checked at this time.

It should only take two days to get through our students, but the BCH Smile Squad group have booked a space from Wednesday Dec 3<sup>rd</sup> to Friday Dec 5<sup>th</sup>.

### Reminder for 2026:

It's important for us to know if you plan to be here or not. If your child is moving on because you are moving... please advise the Office ASAP.

As stated last week, sometimes there is additional information provided by our families that helps us create grades. And we are always willing to accept information that may help us in forming our 2026 grades. Every request is reviewed but not always acted upon.

Enrolments continue to come in so if you have friends, family or know a young one not currently enrolled, please remind them to come in and see us, so they can be included in our 2026 planning.

Next week we will publish our grades and teachers for the 2026 school year.

Regards,

Faye Martin

Acting Principal

Thursday 27th November

Before school 8:30am-8:50am

After school 2:50pm-3:10pm

If you are unable to attend during these times,  
please contact the Office 03 5447 5100  
to make arrangements.

It was a disappointing start to the week for some of our students.

They returned to school Monday to measure their zucchinis, only to find the entire crop of vegetables stolen.

These students had been measuring the vegetable growth in cm, every day that they watered and weeded the garden.

Students were very excited to compare Friday's measurements to Monday's, only to have all their hard work taken.

If our school community notices persons in the vegetable garden please inform the office 03 5447 5100.

## MiniLit News

**Zander, Hadia, Emma and Makayla** have recently finished **Part A** of the MiniLit Reading Program!

They have worked really hard and will now move on to **Part B**, the next step in their reading journey.

In MiniLit, children use two books:

- **Part A** helps them learn letter sounds, blend them together, and read short words and sentences.
- **Part B** helps them read longer words and stories more smoothly and confidently.

Congratulations to our MiniLit super readers on their great effort and progress!

*Miss Michele and Mrs Dunne*

## MacqLit News

## How To Order From The Canteen

Our Canteen operates on Wednesday, Thursday, and Friday. 8.30am - 2.00pm

Each week in our online newsletter and on our website, you will find our Canteen Menu.

An order form for our \$6.00 Mix & Match Meal Deals can also be found there. Please use the correct menu, it will change each term.

Make sure your order is written clearly with your Name and Room No. This can be done on the template order form or just on a piece of paper, popped into a zip top bag or envelope with the money inside. Please clearly indicate any allergies or special requirements we may need to be aware of. Then drop your order into the neighbourhood tubs at the Canteen before school starts on the day it is required. **Please do not use staples as they may accidentally fall into food.**

Please visit Raylene to discuss any special dietary requirements, as many items on our Menu may be available Gluten Free or Vegetarian upon request.

We have attempted to reduce the amount of plastic used in the canteen by switching to reusable cutlery and plastics containers. If your child comes home with a stray item, please return it to the canteen cleaned at your earliest convenience.

Collection of lunches from the canteen is by a class helper at 11.15 am.

**Special vouchers** are given for items to be collected from Canteen. e.g.: apply slinky, frozen ice-creams, milkshakes or items that may spill in the tubs.

**Change** can be given to a nominated child. Please indicate the amount tendered and if change is required.

Canteen Vouchers can also be purchased from the office using EFTPOS or cash.

**Fresh Fruit, Yogurt & Snacks etc** are available to purchase from the canteen window before school and at both recess & lunch breaks.

**Volunteers are welcome and in need.** Without our wonderful volunteers we could not run such an extensive menu for our children and staff members. Kids love seeing mum, dad, or a grandparent's smiling face in the canteen.

**You may just need to get out of the house for a coffee break.** You must have a voluntary Working with Children Card. Please give details of your availability to front office or Raylene. No experience is needed, we will show you through what is required.

### Volunteers - PLEASE RETURN THIS PART

Our Canteen always needs volunteers from 8.45am-11.45am.

Even if you can only help once a Term for an hour, please call in to see Raylene or return the slip below with your details.
